

Career Exploration Advanced Art 2

Choose 2 art related careers from Poster (choose quickly- no duplicates)

Research both careers and create a **Power Point Presentation** to present findings to the class. **(Make sure it is visual and interesting)**

Include Following for each career:

- **Explanation of career-** Define what it involves.
- **List Art skills needed** and explain why.
- **List Non-Art skills needed** and explain why.
- **Show visual examples** of products, services etc. provided (real world applications)
- **Explain type of degree needed** and name **2 or more schools** that offer this degree.
- Provide information on **job outlook / opportunities / estimated pay** etc.
- Explain what someone working in this field does. **(daily tasks/goals etc.)**
- Explain **why** you chose each career. (What attracted you?)
- Explain how you feel about **each career** after your research. **(Pros/Cons)**
- Provide any other **relevant information** you discovered.

(Outlines are Due September 8th --- Presentations begin October 1st)

Resources: These will get you started, but you will need to find more related to your specific career choices. **(Be sure to Cite Sources)**
