

Personal Assemblage Prompt:

Please write a paragraph or 2 to answer the following questions:

What was your **theme** for the assemblage?

How did you use **elements and principles** to communicate this theme?

(ie. Unity how?, Balance how?)

What is the **focal point** of your piece and how did you achieve this?

Did your theme **evolve** over time?

What did you **struggle with** as you worked on this project?
